Student Life

ROCKY MOUNTAIN COLLEGE

Living At The Rock

Games, friends, parties, activities and, of course, studying are all a part of a student's life while at Rocky Mountain College. Social events allow everyone the opportunity to express themselves and to develop relationships that will last a lifetime.

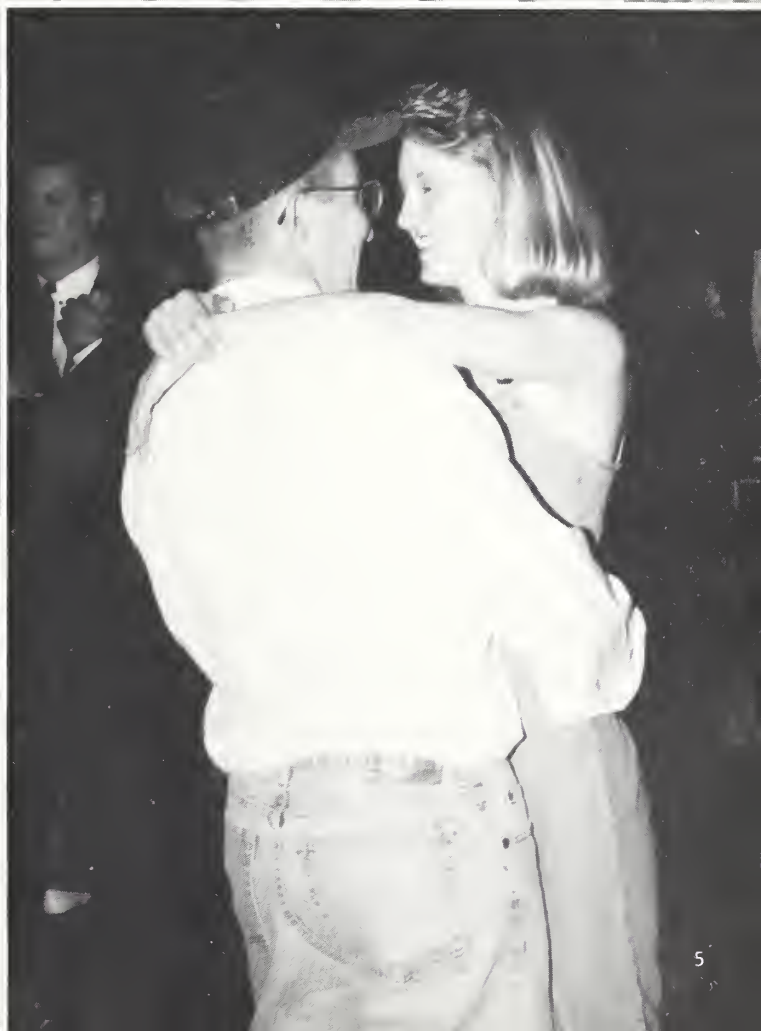

It is the students who make the dif-

ference at Rocky. Each unique personality meshes to enhance the group that we affectionately refer to as "The Rocky Family."

For the students who chose to become involved, the memories will be remembered and cherished forever!

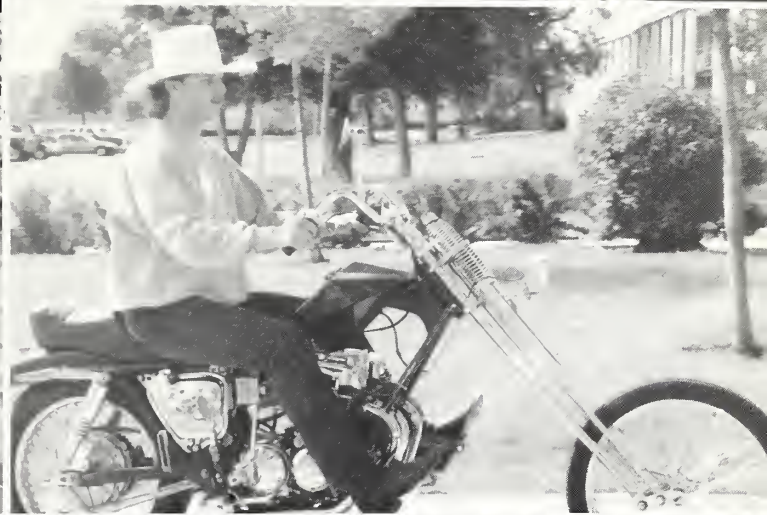

RUTH BADER GINSBURG became the second woman to sit on the U.S. Supreme Court on August 10, 1993. She was President Clinton's first nominee and was overwhelmingly confirmed by the Senate.

BORIS YELTSIN disbanded the Russian legislature on September 21, 1993. Several hardliners tried to overthrow Yeltsin in an attempted coup. When the smoke cleared, from the raging fire inside the parliament building, the rebellion had been crushed.

POPE JOHN PAUL II made a 4-day trip to the U.S. in August, 1993. An outdoor Mass, just outside of Denver, concluded World Youth Day.

A Look Back

1993-94 proved to be an eventful, as well as an uplifting year.

On the political stage, the country was witnessed to gestures of peace, promises of governmental reform and historic appointments. The sports and entertainment world also provided its share of excitement. From celebrations to retirements, it was all memorable.

Not all events, however, were pleasant to view. On foreign soil, we watched political unrest and horrific bloodshed. Meanwhile, here in the states, mother nature and human error ironically took a deadly tool upon both people and nature alike.

It has been said that in order to truly appreciate the good, the unfortunate must be experienced. If this be true, we all should have a deeper understanding of happiness.

PRESIDENT CLINTON & V.P. Al Gore outlined plans to cut, consolidate and reshape the federal bureaucracy. The President's speech on September 7, 1993 promised \$108 billion in savings by century's end.

ON SEPTEMBER 13, the handshake between Yasser Arafat & Yitzhak Rabin finalized a peace treaty that once seemed unimaginable. Arafat's PLO recognized the right of Rabin's Israel to live in peace, Israel, in turn, recognized the PLO as the representative of Palestinians.

MOGADISHU was a city divided, with the northern sector held by warlord Ali Mahdi Mohamed, and the south by rival, Mohamed Farah Aidid. The contest for power resulted in a full-scale war that killed 350,000 people. On October 3, 1993, the U.N.'s manhunt for Aidid left 18 American and more than 300 Somalis dead.

AN EARTHQUAKE of 6.6 magnitude struck southern CA at 4:31 a.m. on Monday, January 17, 1994. The disaster claimed 61 lives and created \$30 billion in damages. Five interstate highways and three state highways were closed at several points, crippling transportation.

THE GREAT FLOOD in the summer of 1993 may have been the worst in American history. The water that washed across the Midwest was caused by the thawing of the unusually heavy snowfall, from the winter months.

EXTREME COLD across the northeast and Midwest was to blame for at least 92 deaths. Arctic air, with wind chills down to 74 below zero, paralyzed several states.

TWENTY-SIX FIRES that swept through Southern CA in the fall of 1993 left four people dead and caused \$1 billion in damages. Wildfire destroyed 1,150 homes, burned 200,000 acres and injured nearly 200 people. It was believed that 19 of the fires were set by arsonists.

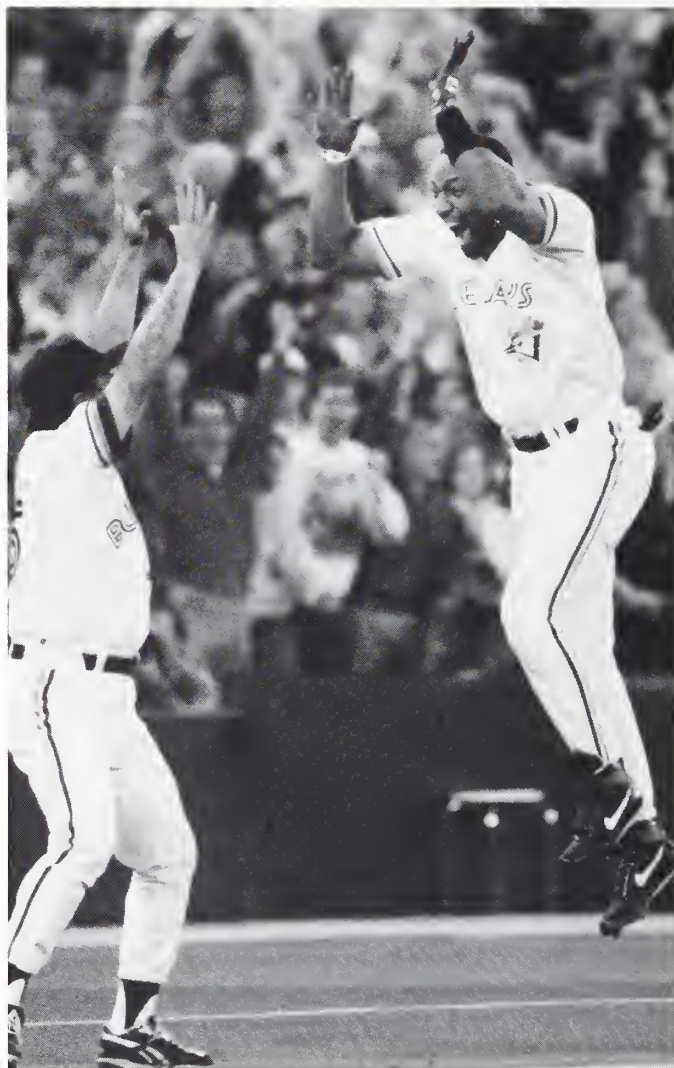

IN THE EARLY MORNING of September 22, 1993, an Amtrak train hurled off a bridge into an inky bayou in Saraland, AL. The sleeping passengers were plunged into a nightmare of fire, water and death. A barge had struck and weakened the bridge shortly before the Sunset Limited attempted to cross. The deadliest wreck in Amtrak's 23 year history claimed 47 lives.

BEST COMEDY SERIES honors were given to "Seinfeld" at the Emmy Awards on September 29, 1993. Michael Richards, a.k.a. Kramer, won best supporting actor in comedy.

SKATING BACK FROM INJURY, Nancy Kerrigan brought home a silver medal from the 1994 Olympics held in Lillehammer, Norway. Earlier, on January 6, 1994 Kerrigan suffered a blow to the knee from men hired by rival, Tonya Harding's husband.

WITH TWO RUNNERS on base and the score 6-5 in favor of the Philadelphia Phillies, Joe Carter of the Toronto Blue Jays stepped to the plate. In the 9th inning of the sixth game of the series, Carter's wing of the bat ended the game and gave the Blue Jays their second straight series victory. Carter circled the bases and slapped palms with third base coach Nick Leyva as the crowd in Toronto's Skydome cheered.

THE DALLAS COWBOYS won their second straight NFL championship and the Buffalo Bills earned their fourth straight Super Bowl loss. Dallas triumphed 30-13 on Sunday, January 30, 1994. Emmitt Smith was the MVP, rushing 132 yards and scoring two touchdowns.

THE CHICAGO BULLS WERE ROBBED of the world's best basketball player when Michael Jordan, 30, retired from the NBA. The news conference held on October 6, 1993, announcing the departure, occurred after he led the Bulls to three straight NBA championships. The decision to retire was not prompted by his father's murder during the summer.

AND DON'T REMEMBER THIS, because this is a #@@#* lie—"it's better to burn out than to fade away". These were the last words Kurt Cobain wrote in his suicide letter to wife Courtney Love. Cobain 27, lead singer of grunge rock group Nirvana, was found above his garage on April 8, 1994 with a 20-gauge shotgun across his chest. In happier times, (above), Nirvana's "In Bloom" won the trophy for best Alternative Video at MTV's 10th Annual Video Music Awards held on September 2, 1993.

THE ROCKY MOUNTAIN CHOIR performed during
the baccalaureate ceremony.

Harmony!

The Rocky Mountain College Choral Music Program consisted of the 40 voice College Choir, the 38 voice Women's Chorale and the Men's Ensemble during the 1993-94 academic year. Professor Donald Pihlaja is Director of Choral Activities and conductor of the Choir and Women's Chorale. The Men's Ensemble was conducted by Les Schaff. These organizations performed for church services, civic groups, campus events as well as presenting concerts to surrounding high schools.

Highlighting the 1993-94 year was an appearance at the AA High School Choral Festival at Billings Skyview High School in November; singing an Advent Recital at American Lutheran Church and the College's annual Festival of Lessons and Carols in December; touring to Hardin, Custer, Colstrip, Absarokee, Red Lodge and Laurel High Schools, and an Epiphany concert at First English Lutheran in February; a Spring concert at First United Methodist and the baccalaureate and commencement services in April and May.

Individual choristers and small ensembles performed at college and community luncheons and banquets throughout the year.

The Band Played On

Rocky Mountain College Band Members had a busy year under Director David Reynolds. It all began with Band Day on October 9, 1993. Over 300 students from surrounding schools were to play at the half-time of homecoming. The show went on, regardless of the 11 inches of fresh snow on the field. The Music Club members also went to the State Music Convention in October. The convention consisted of high schools and colleges from across the state of Montana who came together to practice and learn about music.

Choir and Brass performed at the Festival of Lessons and Carols at First Congregational in Billings. They also went on tour to various high schools in eastern Montana to perform in-house demonstrations for the students.

Bill Southard and Vicky Nelson were selected as Montana representatives to the College Band Director's Intercollegiate Band in Reno, NV.

Four band members gave their senior recitals, which must be one hour in length and is required of any graduate with a music degree. Senior recitals were given by Brad McRae-percussion, Ken Hutchinson-voice, Mary James-voice, and Vicky Nelson-piano.

It is not necessary to be a music major in order to join any of the ensembles, one simply needs to enjoy music!

THE EUPHONIUM is the instrument of choice for Bill Southard.

The Aviation Club sponsors the RMC Flight Team which participates in the National Intercollegiate Flight Association competitions. Tad Kirschman was captain of the team for the regional flight meet held in Boulder, CO. The team received an invitation to participate in the national flight competition at Parks College in Cahokia, IL. The RMC flyers, with Matt Miller as team captain, won the Collegiate Aviation Progress Award sponsored by United Airlines.

... And Fun Was Had By All!

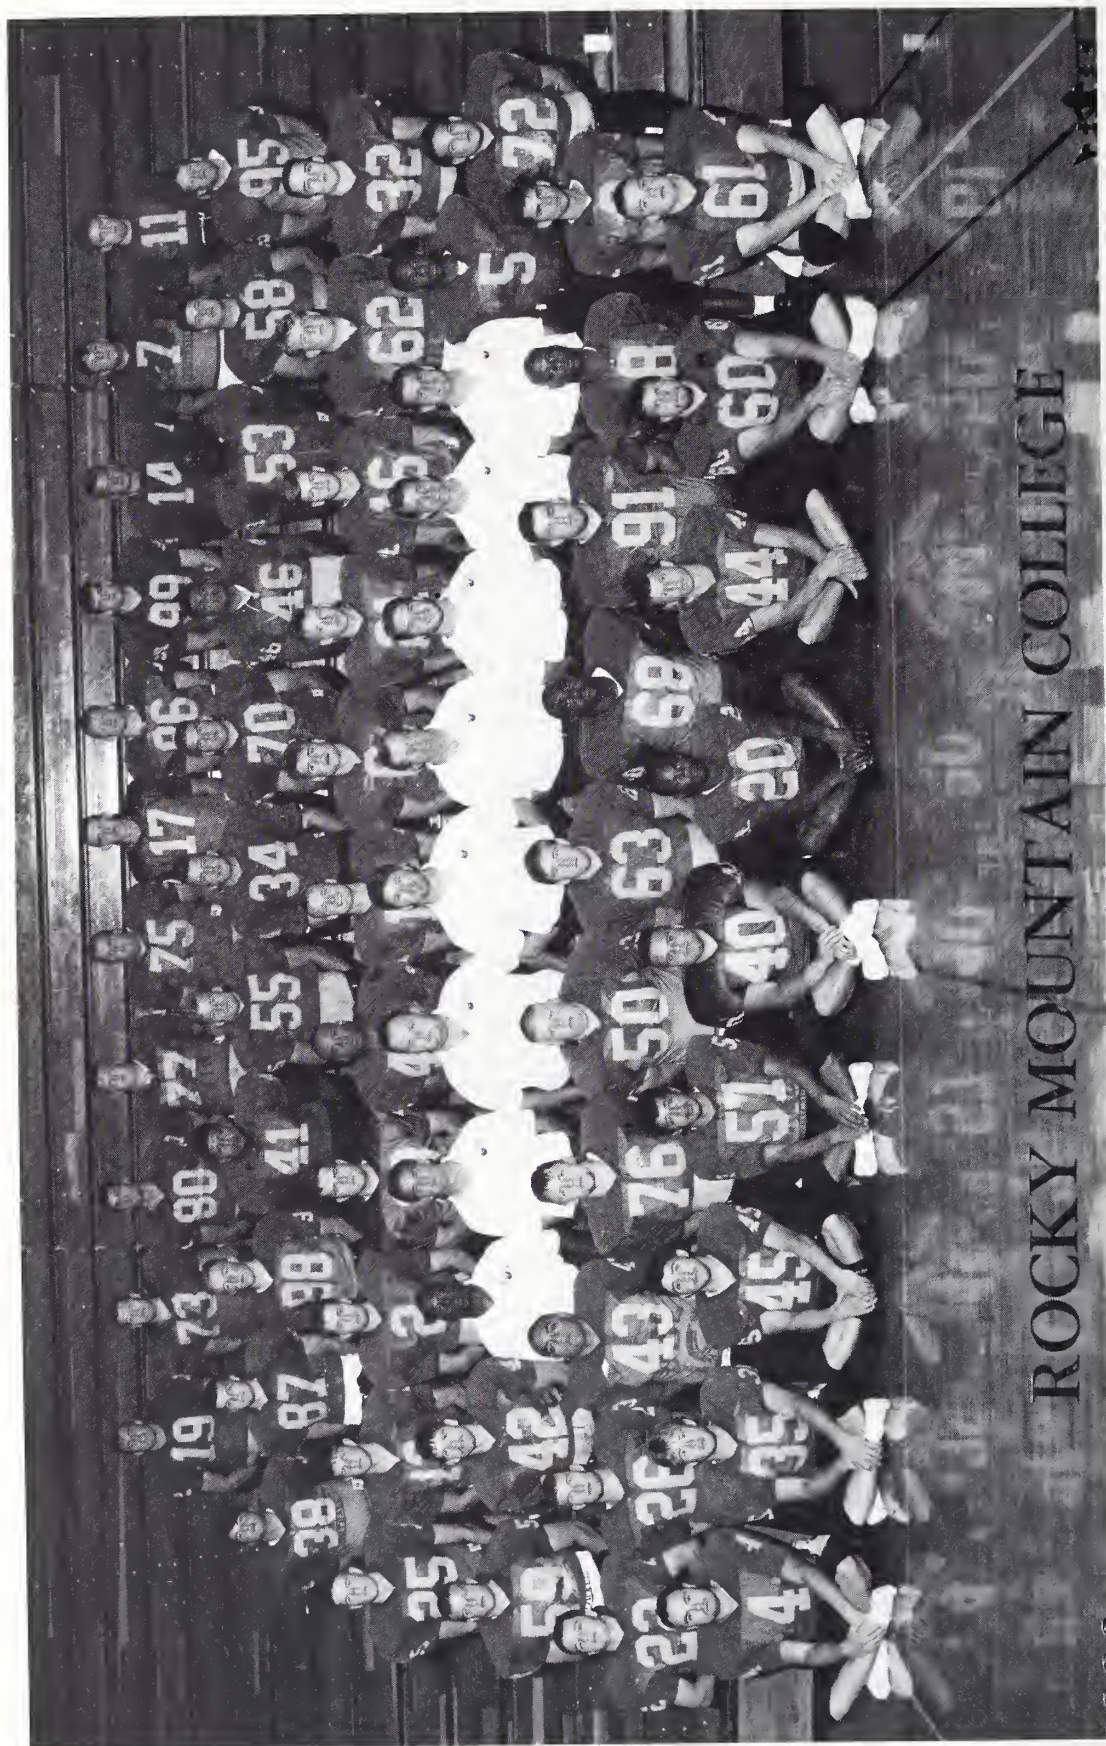

Being a college student can sometimes take its toll upon both the mind and the spirit. The early morning classes and the responsibilities associated with exams can sometimes prove to be a bit overwhelming for most. Luckily, an escape can be found through Outdoor Recreational activities such as hiking, camping, rafting, volleyball, skiing, swimming in the hot pots of the Yellowstone, etc. . . . Those who participated appeared to have a lot of fun — those who didn't should consider it!

The 1993-94 Women's Basketball season was a great learning experience for all those involved. The Lady Bears played hard and put a lot of effort into every game they played in.

The Bears were very competitive and always had a different player step forward to provide the fire-power needed in various games. There were some exciting victories along with some disappointing losses. The Battling Bears finished the season with a 6-19 overall record. However, with a solid foundation of current young players, along with the addition of some new recruits, the 1994-95 season should prove to be exciting as well as successful.

THE LADY BEARS go over team strategies during a time out.

A Season To Remember

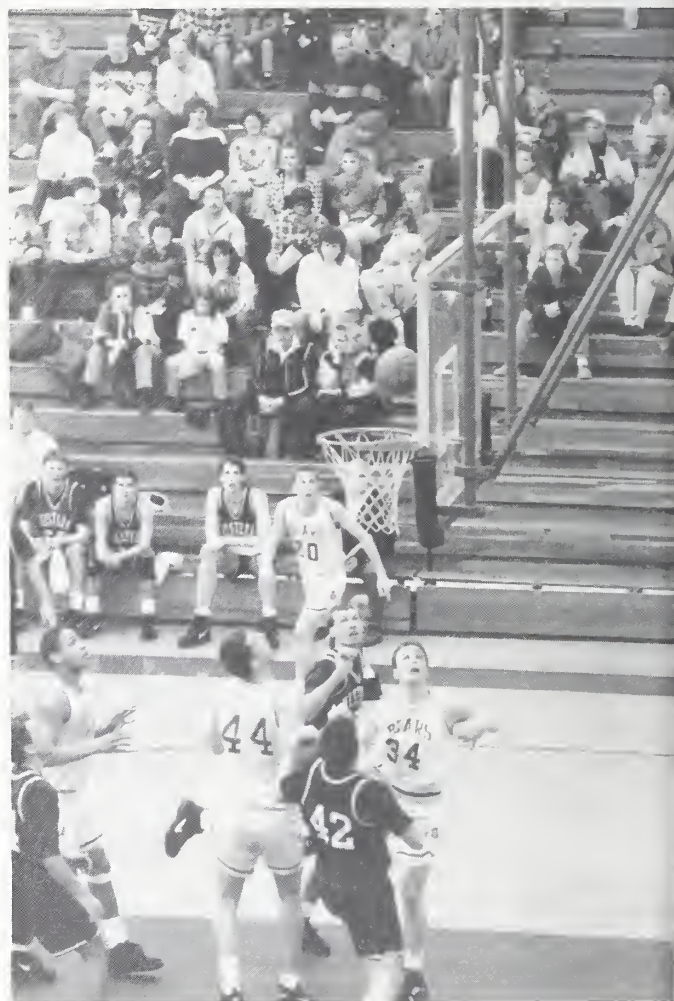

The Battling Bears, under first year head basketball coach and former Boise State University assistant Garry Matlock, had an outstanding season. The Bears won the Frontier title, conference tournament, and a birth into the national tournament that was held in Tulsa, OK. Rocky started out on a rough road, losing their first six out of seven, before catching fire and finishing strong. The Bears ended the regular season 11-5 in conference play which was good enough for a first place finish.

Rocky placed three players on the All Frontier Conference Team that was led by 6'10" senior center Trevan Walker. Senior, Billy Dreikosen and junior Calvin Tyson were named to the Honorable Mention All American Team. RMC also placed three on the Frontier Conference All Academic Team led by sophomore Brady Vaira 3.9 G.P.A., Lance Heggem 3.8 and Tracy Davis 3.8. The Bears were led in scoring this season by freshman Reece Glicko with a 15.3 point average, followed by Trevan Walker 12.9 and Kenny Big Back 11.9. Trevan also took rebounding honors with eight a game. Kenny led the Bears in assists with a 2.7 average.

RMC was 10-2 at home, 7-12 on the road and 17-14 overall this season. Rocky defeated Montana Tech in the conference tournament held at the Fortin Center, and as a result earned a chance in the national tournament. Rocky was defeated by the number one ranked N.A.I.A. team in the country, however. The Bears lost to Georgetown of Kentucky 74-66 at the Mabee Center, on the campus of Oral Roberts University, in Tulsa.

It was a season to remember for the RMC Battling Bears and fans; a program that strives for excellence in academics as well as athletics.

DRIVING AROUND a Western defender to score two points is Reece Gilko. Reece led the team in scoring this year.

DURING SENIOR NIGHT, Trevan Walker and Martin Lee are escorted on the court.

The '94 team included Channa Davis-Middle Blocker, Jennifer Gilstrap-Middle Blocker, Jenny Benders-Setter, Sara Evans-Outside Hitter, Ellie Oberly-Outside Hitter, Wendi Weisgerber-Outside Hitter, Tawnia Hertel-Middle Blocker, Marcine Holzer-Setter/Outside Blocker, Patricia Marcott-Outside Hitter, Elyn McAlear-Defens. Athletic Advantage

SWELLING being measured on Pete Taylor's sore ankle.

Athletic training is the art and science of athletic injury prevention, evaluation, management and rehabilitation. The athletic training program is designed to prepare students to take the National Athletic Training Association (N.A.T.A.) examination. The certification consists of a written, practical and oral test.

In general, the study of athletic training includes courses in health, anatomy, kinesiology, biomechanics, physiology and nutrition. EMT or Advanced First Aid is also necessary. An athletic trainer also has extensive injury prevention experience in taping, wrapping, assisting coaches with conditioning programs and teaching injury prevention skills.

RMC requires 1500 clinical hours at practices, games or on the field in order to become a certified trainer. The athletic trainer's hours usually exceed the required amount. The athletic trainers are not paid monetarily, but rather receive credits in exchange for hours worked.

HELMET REPAIRS are just a small part of the services that athletic trainers provide. Marion Blackman fixes equipment, while Calley Lepink looks on.

OFFERING A HELPING hand on the field is nothing new to Matt Lundin.

Snow, Sun & Skiing!

IT was another successful season for the RMC Ski Teams. The women's team won another Grand Teton Conference title and qualified for the National Championships in Vernon Valley, N.J., March 1-4.

The women won five out of seven conference races on their way to the title. The team was led by Becky Drury of Westminster, Mass., and Karen Barrier of Mercer Island, WA. Natalie Osborn of Anchorage, AK, May Rice of Billings, MT and Alexa Dies of Burnsville, MN rounded out a deep talented pool.

With a young team like this, and fast skiers on the way, the Rocky women look like a powerhouse for the future.

The men finished second in the conference to a strong Montana State team out of Bozeman.

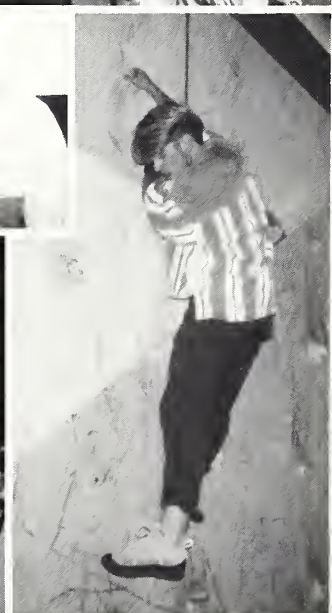

The team included Beau Jarvis, Whistler, British Columbia, Gary Thompson of Calgary, Alberta, Michael & Patrick Begley of Casper, WY, Masayuki Chihara of Tokyo, Japan, Dennis Crawford of Casper, WY, Dave Hoffman of Minneapolis, MN, Bradley Koch of Reno, NV, Ed Sigel of Barrington, IL, Patrick Sojka of Calgary, Alberta, Erik Stenerson of Tigard, OR, Aran Stromberg of Lake Forest Park, MN and Gordy Wurflinger of Fruitvale, British Columbia.

The team skied well, but a tough field at regionals, combined with a great deal of bad luck kept the men from making a nationals bid.

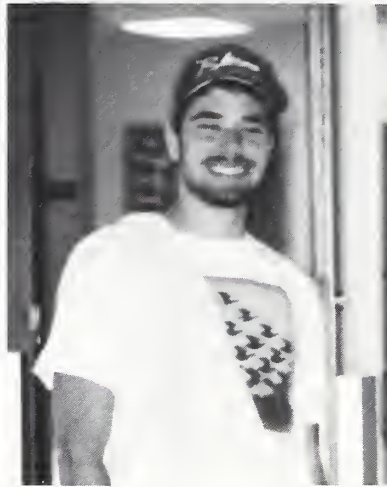

Good things should be in store as this young men's team gains valuable experience.

THE RMC Women's Ski Team consisted of: (top, from left) Alexa Dies, Becky Drury; (bottom, from left) Karen Barrier, Natalie Osborne and May Rice.

Bess Marie Harman
1972-1993

The years we shared
Went by so fast.
And it seemed to us
That they'd always last.

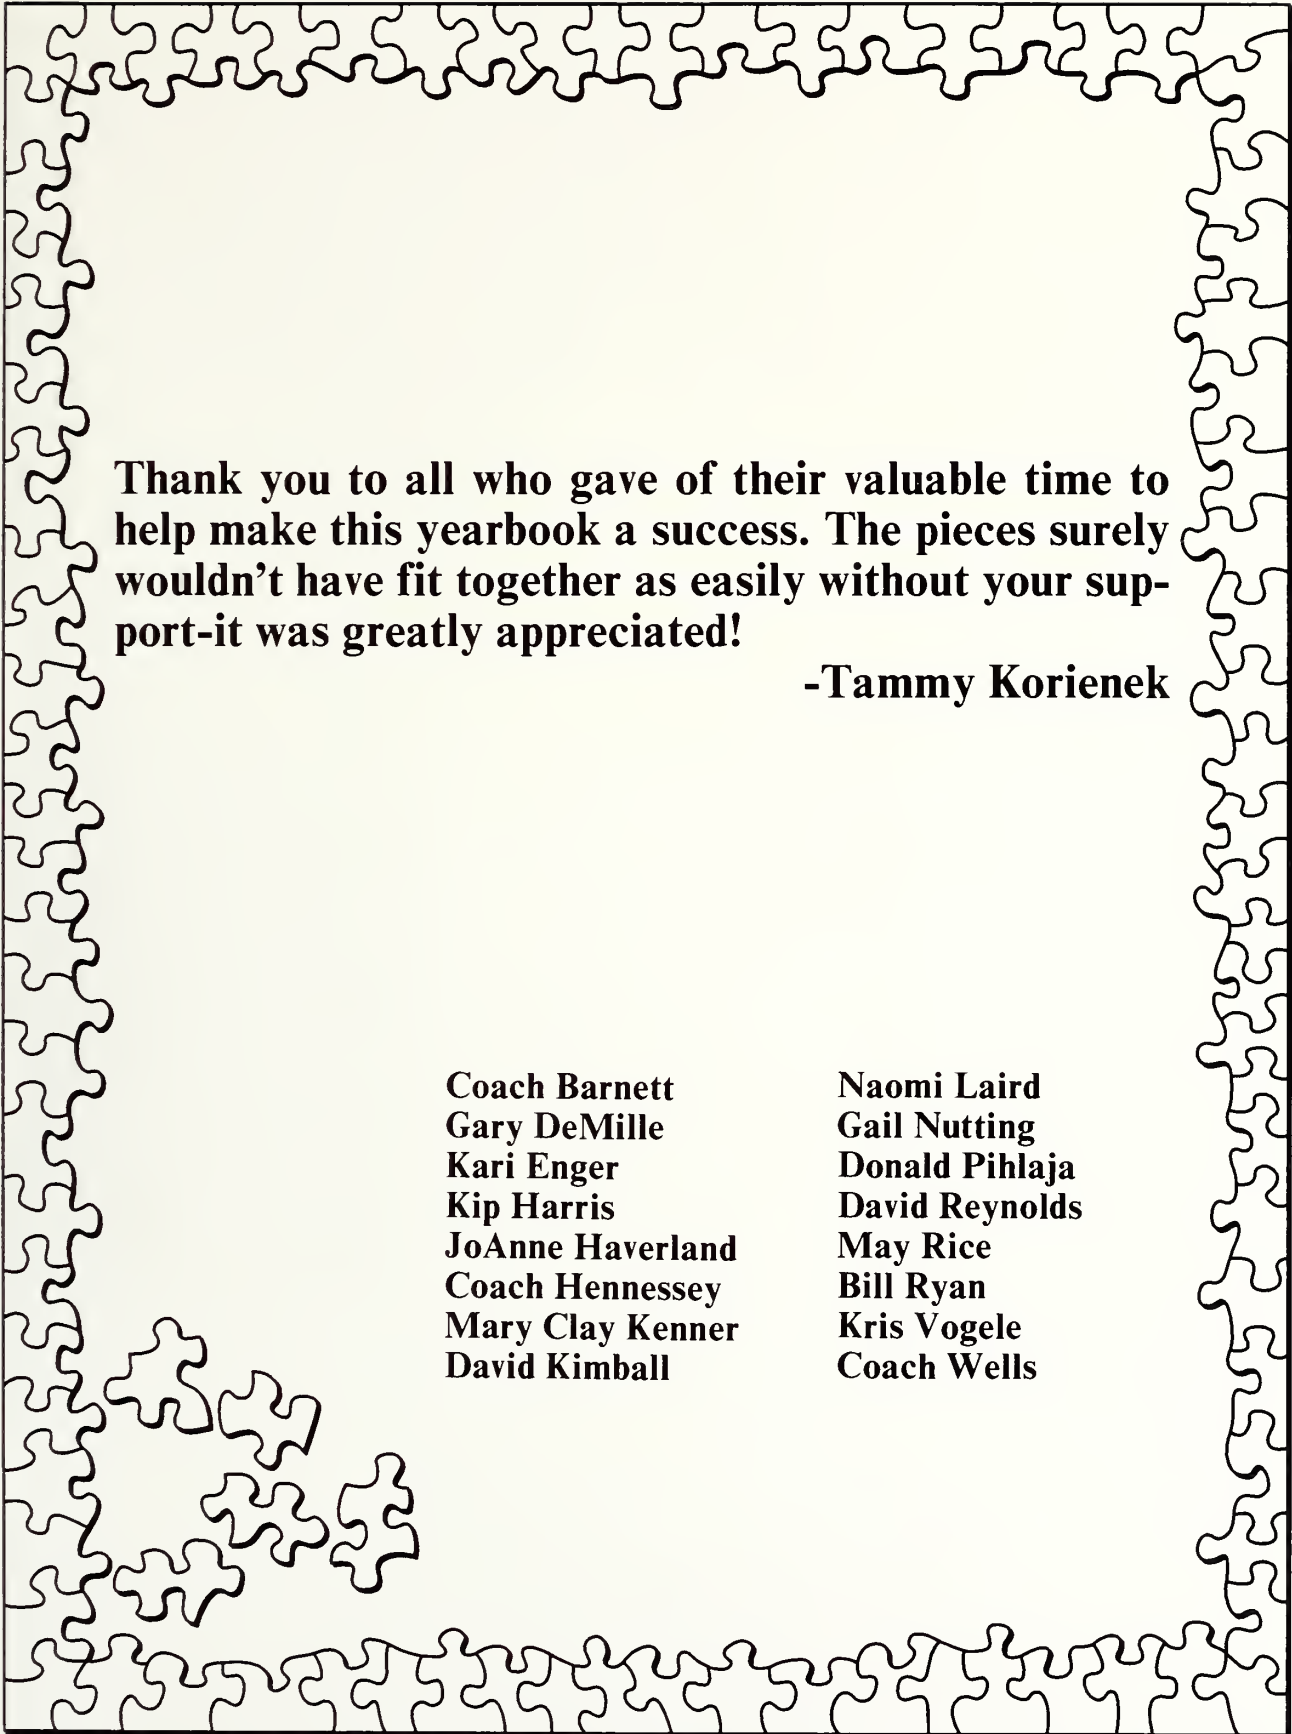

But tragedy struck
And took you away .
To a place unknown
To a place far away.

We mourned your death
As friends do
And tried to comfort ourselves
With thoughts anew.

Now, here we are
Near the end of our college years
But we can never forget
Those painful tears.

Thank you to all who gave of their valuable time to help make this yearbook a success. The pieces surely wouldn't have fit together as easily without your support-it was greatly appreciated!
